An invitation to become our Champion

The Champion Centre

Helping parents fall in love with their child for over 30 years

The Champion Centre provides Early Intervention for children with special needs – those families who have been through it will never forget.

We have a special partnership between our professionals and parents, working together to achieve optimum outcomes for our most vulnerable children from birth until school. The foundation built here helps set these young champions up for a lifetime of personal achievement.

The Centre is a non-profit organisation and is partially funded through service contracts with various government departments.

However we rely on the goodwill and generosity of the wider community to help fund the shortfall. Without this generosity we could not hope to offer such an in depth service to these families.

Tuia te rangi e tu iho nei. Tuia te papa e takoto nei.

As the sky joins the earth, so people depend on one another.

The word 'Champion' is used most often these days as a sporting term – a winner – and as such can rightly be applied to our children and parents.

But it also has a more ancient meaning – a defender, a patron, a preeminent supporter.

We are fortunate enough to have just such a group of Champions. They do not carry our favour in a tournament, of course, but in their decision to make a monthly, ongoing gift to help fund our programmes.

We invite you to join this very special group of people - our Champions of the Champion Centre.

By committing to a regular monthly gift, you help us to provide unequalled care and support for our families. And we undertake to share with you, through regular newsletters, the inspiring work in which you will be playing such an important part.

More than that, you will be helping prepare our children for a life lived to its fullest.

And that is a cause worth championing.
