Building Futures For Children With Special Needs

Tūhaitara Charity Run – Giving Children with disabilities a voice Sunday 3rd November 2013

Proudly Sponsored by Phil Benton Builders Ltd

Raising funds to help give children with disabilities a voice, the Tūhaitara Charity Run will follow a 10km track by Woodend Beach (approx. 15 mins north of Christchurch). This is a unique and interesting track through the wetlands and forestry finishing, with a loop on the beach. Expect to encounter both mud and soft sand. The race is open to all standards from serious racers to people whose aim is to complete the course walking or running. We are also pleased to offer a 3km track which is wheelchair friendly.

This event is proudly organised by parents from the **Champion Centre** and **Craig Moore** from Tri Planet www.tri-planet.co.nz. For inquiries please contact Anette de Joux on: damgaard_andersen@hotmail.com

All proceeds go to the **Champion Centre** an early intervention programme that serves infants and young children with complex challenges such as cerebral palsy, Down syndrome, autism and global developmental delay. Funds raised will be used by the Champion Centre to purchase an expensive communication devise called the Tobii PCEye GO. This device will allow children who cannot coordinate their muscles to express their needs, thoughts and feelings through eye gaze. Amazing!!!
