CHRISTCHURCH EARLY INTERVENTION TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30th JUNE 2013

STATEMENT OF ACCOUNTING Policies

1 Reporting Entity

These are the financial statements for Christchurch Early Intervention Trust. Christchurch Early Intervention Trust is a trust established by deed dated 27 October 1989.

The Trust uses the Champion Centre as an operating name.

Financial statements have been prepared in accordance with generally accepted accounting practice.

The trust qualifies for differential reporting based on the following criteria:

- it is not publicly accountable and
- The trust is "not large" as defined by the New Zealand Institute of Chartered Accountants.

The trust has adopted all available differential reporting exemptions.

2 Measurement Base

The measurement base adopted is the historical cost basis.

Reliance has been placed upon the fact that the entity is a going concern.

Revenue and expenses have been recorded on an accrual accounting basis

3 Particular Accounting Policies

The following are the particular accounting policies which have material effect upon measurement of the financial performance and financial position.

Property, Plant and Equipment

Donated Assets are recognised in the accounts, under Fixed Assets, at a fair value, with a corresponding entry for a donation of the equivalent amount being recognised in the accounts under revenue.

Fixed Assets are stated at cost less depreciation to date.

Depreciation has been charged on the computer equipment using a straight line method based upon an economic life of 5 years with nil residual value. All other assets are based on an economic life of ten years with a nil residual value. Fixed Assets schedule is attached.

Leasehold & Improvements are depreciated using a straight line method based on their useful life.

CDHB Rental Agreement

The generous donations which contributed to the upgrade of the building to allow it to operate as the Champion Centre have been capitalised into 11 years rent free use of the building until the end of 2014 and then gradually reducing to full payment of rent in 2023.

Goods and Services Tax

The Statement of Comprehensive Income has been prepared so that all components are stated exclusive of GST. All items in the statement of financial position are stated net of GST with the exception of receivables and payables which include GST invoiced.

Income Received in Advance

Grants/Donations income has been included in the Statement of Financial Performance when the conditions attached to the grant/donation have been met. Grants/Donations received for specific purposes are initially recorded as Income Received in Advance. Amounts are recorded as revenue in the Statement of Financial Performance when the specific expenditure is incurred.

These notes are to be read in conjunction with the Financial Statements and the Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

To the Trustees of Christchurch Early Intervention Trust

Report on the Financial Statements

We have audited the financial statements of Christchurch Early Intervention Trust on pages 2 to 13, which comprise the Statement of Financial Position as at June 30, 2013, the Statement of Financial Performance, Statement of Movements in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Trustees' Responsibility for the Financial Statements

The trustees are responsible for the preparation of these financial statements in accordance with the stated accounting policies and that give a true and fair view of the matters to which they relate, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (New Zealand). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, Christchurch Early Intervention Trust.

Opinion

In our opinion, the financial statements on pages 2 to 13:

- comply with generally accepted accounting practice in New Zealand;
- give a true and fair view of the financial position of Christchurch Early Intervention Trust as at June 30, 2013, and of its financial performance for the year ended on that date.

Report on Other Legal and Regulatory Requirements

We have obtained all the information and explanations that we have required.

In our opinion proper accounting records have been kept by Christchurch Early Intervention Trust as far as appears from an examination of those records.

Emphasis of Matter

Without qualifying our opinion, we draw attention to Notes 7 and 11 in the financial statements. Note 7 records an overpayment of wages in the period to December 2012 and the amount not recovered as at 30 June 2013. Note 11 records that the Trust has recently incurred losses resulting in a decline in equity. The paragraph also records that the Trust continues to be reliant on both donations and government funding and that the Trustees are committed to the on-going financial viability of the Trust.
